※Annual Church Associate Membership Dues are necessary for us to use the church facilities such as the classrooms, gymnasium, and kitchen for classes and school events. However, you are not obligated to participate in church religious activities. The Associate membership entitles you to join in club activities such as kendo, taiko, basketball, boy scouts without paying each organization's annual fee. This membership fee is non-refundable regardless of the reason for cancellation of enrollment.

※We do not prorate annual fees for students enrolling in the middle of a given school year.

※You are separately asked to pay for textbooks and workbooks as needed.

※Tuition may be increased by 5 to 10% every year, and the fee structure may change without notice.

※A participation co-op deposit has to be paid at the beginning of school year. Co-op points earned through parents' volunteer activities will be carried over to the following school year. If you earn enough points, no participation co-op deposit will be charged the following year. Without any volunteer participation, the whole amount will be again charged to you. This deposit balance (based on your co-op points) will be refunded at the time of graduation or withdrawal. (Details will be explained at the orientation.)

※ We accept a check for the registration fee. For the monthly tuition, we ask you to set-up auto-pay through your bank, however, we also accept checks. For late payments, late fees will be assessed.
